**Subject:** Re: Planning Consultation on EP/120/15/HH

Dear Mrs Gardner,

I have previously submitted two objections in respect of this application but having viewed the revised plans I would like to state on the record that I no longer have any issue with the proposed development.

I feel the revised scheme is sympathetic to the adjoining properties and takes into account the previous objections I had raised. I would like to wish the developer all the best should planning be forthcoming.

Kind regards,

James
