Good afternoon Anita,

I can confirm we are happy for the wording describing the roofing material to be omitted and for the roofing material to be conditioned.

Kind Regards

Euan

Dear Mr Clark,

I am starting to write my report for the above application. I note that you are proposing fibre cement slates. The adjoining properties have tiled roofs so this may not be an acceptable roof colour or material particularly given the expanse of roof proposed. I would therefore be grateful if you would agree to the deletion of the wording on the elevation plans in relation to roofing materials and for this element of the proposal to be conditioned.

Regards

Anita Gardner
