Mr Easton,

Further to the recent submission of the application to agree the external materials for this site, we should be grateful if you could please substitute the attached details of a roof tile for the details that were previously submitted. We can confirm this roof tile is 'Redland Plain Tile Brown 02' as the attached information – please let us know if you would like a sample.

We understand the applicant has discussed this with you already, and that you have agreed to substitute these details for those which were previously submitted.

Thank you,

Phil Brown.
