CONCLUSIONS

PRINCIPLE

In this case, the key policies are deemed to be D DM1 and D DM4 of the Arun Local Plan. Additionally, Policy 1 and 3 of the East Preston Neighbourhood Development Plan apply.

Policy D DM1 sets out 13 design aspects of which applications should be assessed against. These include: Character, Appearance, Impact, Innovation, Adaptability, Crime Prevention, Trees, Public realm, Layout, Public Art, Density and Scale.

Policy D DM4 sets out criteria for which applications relating to extensions and alterations of existing buildings must be assessed against. They generally seek to minimise the impact of the proposal on the character of the host dwelling, its neighbours and the locality.

Policy 1 of the East Preston Neighbourhood Development Plan sets out general principles for development within the Parish. Part (i) relates to the scale, density, massing, height, landscape design, layout and materials of development proposals, and how proposals must reflect and enhance the established character of the area.

Policy 3 of the East Preston Neighbourhood Development Plan sets out the criteria for development within Character Area Two. These ensure that proposals maintain a low building height with no development proposal of more than 1.5 storeys and ensure the roof height is not increased and the basic form of the roof is not altered.

Section M of the Arun Design Guide relates to residential extensions, setting out criteria to which the proposed extensions should meet. These predominantly seek to ensure that the proposal appropriately relates to the host dwelling and the area.

DESIGN AND VISUAL AMENITY

The proposed development seeks to construct an extension projecting from the rear of the host dwelling.

Due to the siting of the proposed extension to the rear of the host dwelling, there will be no views of the proposal from the public realm. Furthermore, these extensions are considered to appear subservient to, and well integrated with the host dwelling due to their scale, design and use of materials.

The proposed development is considered to be in accordance with D DM1 and D DM4 of the Arun Local Plan, Policies 1 and 3 of the East Preston NP and Section M of the Arun Design Guide.

NEIGHBOURING RESIDENTIAL AMENITY

The proposed development is not considered to result in any significantly harmful overbearing or overshadowing impact upon the occupiers of neighbouring dwellings, this is due to the scale and positioning of the proposed development. The proposed side extension extends around 2.1m back from the rear of the existing garage to be in line with the existing rear elevation of the dwelling. This proposed extension is not significantly overbearing on the attached neighbouring dwelling because it does not extend beyond the rear of the southern-side neighbour dwelling. The proposal is ground floor only and does not introduce any openings above ground floor level. As such, it is not considered to result in a loss of privacy by way of overlooking to occupiers of neighbouring dwellings due to its non-intrusive siting and scale.

The proposed development is considered to be in accordance with D DM1(3) and D DM4(c) of the Arun Local Plan.

SUMMARY

The proposed development is deemed to accord with relevant development plan policies and as such is

recommended for approval subject to the following conditions.

HUMAN RIGHTS ACT

The Council in making a decision should be aware of and take into account any implications that may arise from the Human Rights Act 1998. Under the Act, it is unlawful for a public authority such as Arun District Council to act in a manner, which is incompatible with the European Convention on Human Rights.

Consideration has been specifically given to Article 8 (right to respect private and family life) and Article 1 of the First Protocol (protection of property). It is not considered that the recommendation for approval of the grant of permission in this case interferes unreasonably with any local residents' right to respect for their private and family life and home, except insofar as it is necessary to protect the rights and freedoms of others (in this case, the rights of the applicant). The Council is also permitted to control the use of property in accordance with the general interest and the recommendation for approval is considered to be a proportionate response to the submitted application based on the considerations set out in this report.

DUTY UNDER THE EQUALITIES ACT 2010

Duty under the Equalities Act 2010

In assessing this proposal the following impacts have been identified upon those people with the following protected characteristics (age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex or sexual orientation).

The proposal would have a neutral impact on the protected characteristics.

RECOMMENDATION

APPROVE CONDITIONALLY

- 1 The development hereby permitted shall be begun before the expiration of 3 years from the date of this permission.

Reason: To comply with Section 91 of the Town and Country Planning Act 1990 (as amended).

- 2 The development hereby approved shall be carried out in accordance with the following approved plans:

Proposed Floor Plan 6021/2
Elevations 6021/3
Block Plan and Roof Plan 6021/5

Reason: For the avoidance of doubt and in the interests of amenity and the environment in accordance with policy D DM1 of the Arun Local Plan.

- 3 **INFORMATIVE:** Statement pursuant to Article 35 of the Town and Country Planning (Development Management Procedure)(England) Order 2015. The Local Planning Authority has acted positively and proactively in determining this application by assessing the proposal against all material considerations, including planning policies and any representations that may have been received and subsequently determining to grant planning permission in accordance with the presumption in favour of sustainable development, as set out within the

National Planning Policy Framework.
