Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015

Application No: EP/124/20/HH
Site Address: Little Dormers 23 Upper Drive East Preston BN16 1QN
Description of works: New bay and porch skirt roof to the front elevation, and roof linked detached double garage.

Thank you for your internet representation made on 16th November 2020 which has been recorded as an objection with the comments as follows:

OWPC31398

Dear Sir/Madam

Having looked at the plans and visited the site, I believe that the proposal for a large addition to the existing frontage of number 23 Upper Drive will significantly change the character of the road and in particular will set a precedent for future works that will impact on the character of the road and the local environment. The Angmering on Sea estate is unique for its diversity of houses, beautiful gardens and grass verges and for its unique character. I strongly feel that allowing planning for a large additional structure to be built onto the front of an existing well established building would be wrong. I also feel that it would have a highly negative impact on the neighbouring house (25) and completely obscure their view of the road. Why should the family at number 25 have to live (and suffer) with significant changes to the outlook of their own home for the personal wishes of a neighbour. It seems very unfair and unreasonable.

Thank you for considering my comments.

Yours faithfully

Ms P Mayoral
