Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015

Application No: EP/124/20/HH
Site Address: Little Dormers 23 Upper Drive East Preston BN16 1QN
Description of works: New bay and porch skirt roof to the front elevation, and roof linked detached double garage.

Thank you for your internet representation made on 30th November 2020 which has been recorded as an objection with the comments as follows:

OWPC31795

We live next door to the immediate south of the property subject to this application and have done so for almost 19 years. We are in our 80's and rely on being safe when we drive out onto Upper Drive from our home. The proposed garage would severely block our view to the north in Upper Drive and thereby be a danger not only to ourselves but also to other users of Upper Drive. The scale and density of the proposed garage is vast and would negatively impact the aesthetic pleasure, look and design of Upper Drive. It would massively infringe on the general building line of the properties along our side of the road (westside). Furthermore it would cause a loss of light to No.25

Your views as made above will be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish your comments on the website. Please make sure that you have only provided information that you are happy will be published in this way. If you have supplied information belonging to a third party, you must make sure you have their permission to do so. If you do not wish your comments to appear on the website or on the file you will need to confirm this by emailing to planning@arun.gov.uk and I will arrange for it to be destroyed although this means that the content will then be disregarded.

The majority of applications are determined under delegated powers by officers. Further information on the decision making process can be found on the website at :<https://www.arun.gov.uk/planning-decision-process>.

Some applications will be determined by the Development Control Committee, and I shall write and inform

you of the date of the meeting and the procedures for public speaking if this is the case. However, if your representation has been received after the agenda for the meeting has been finalised and the notifications have been generated, you will not receive notification. In this case, you will need to track the progress of the application on the council's website <https://www.arun.gov.uk/weekly-lists>

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Development Control Committee.

Regardless of how the application is determined I will notify you of the decision.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours sincerely

Neil Crowther
Group Head of Planning
