Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015

Application No: EP/124/20/HH
Site Address: Little Dormers 23 Upper Drive East Preston BN16 1QN
Description of works: New bay and porch skirt roof to the front elevation, and roof linked detached double garage.

Thank you for your internet representation made on 2nd December 2020 which has been recorded as an objection with the comments as follows:

OWPC31879

I refer to the above Application for I am concerned about two suggestions contained in Objections already submitted.

Both objections suggested, as an alternative, that the proposed new garage could be sited in the garden. Such a siting would be very detrimental to my own property. The size would be quite out of keeping and, looking at the site plan, it would also entail using a large part of the garden as well.

I appreciate that this letter does not actually apply to the present application but I feel that it would be helpful if you knew of my concern should an Application for the use of the garden be submitted.

Your views as made above will be considered before the application is determined.

In this case, you will need to track the progress of the application on the council's website <https://www.arun.gov.uk/weekly-lists>

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Development Control Committee.

Regardless of how the application is determined I will notify you of the decision.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours sincerely
