Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: EP/125/21/PL
Site Address: 22 Vermont Drive East Preston BN16 1LA
Description of works: Demolition of existing single storey projection on host dwelling, removal of swimming pool and erection of 1 No. detached 1 1/2 storey self-build dwelling with detached garage building on existing garden land. This application is in CIL Zone 4 and is CIL liable as new dwelling.

Thank you for your internet representation made on 31st October 2021 which has been recorded as an objection with the comments as follows:

OWPC41519

We take issue with the conclusions made by WSCC-Highways Authority in their report 25/10/2021. WSCC say that there are no apparent visibility issues & yet an accident occurred here in 2017 due to visibility issues occasioned by on-road parking. WSCC also say that the addition of one house on the site will not give rise to a significant intensification of movements to or from the site. The fact is that an increase from 3 to 4 dwellings will increase movements by 33% which is significant. We repeat our concerns that overflow parking in Vermont Drive arising from the site due to visitors/deliveries etc creates a safety hazard & makes access to our drive awkward & dangerous.

Your views as made above will be considered before the application is determined.
