Dear Ms Weaver,

Thank you for your email!

I apologise for the confusing dates, due to delays in the validation process the application cannot be determined until the 22nd of October, would it be possible to have an Extension of Time until this date?

As it stands, I have a few concerns, especially regarding the proposed dormer. Later this week I have a case review with my Team Leader, and I will get back to you about any issues.

Please do not hesitate to contact me with any further enquiries you have.

Kind regards,

Zac

Dear Mr Denton

I was wondering if you would be able to advise me of the status of the above application and what your initial thoughts were on the scheme.

From the Online portal it shows that a decision was to be made by the 4th October and comments by the 18th October.

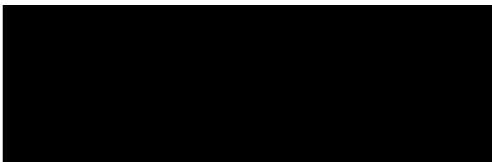

I look forward to hearing from you

Kind regards
Emma
