Dear Simon,

Apologies for this, it was my mistake.

Unfortunately, the report cannot be re-issued, however this email will be scanned against the application to highlight that a comment was made.

It is considered however, that your re-consultation was covered by the recommendation report, in that the previous issues were retained, as opposed to any additional issues raised.

Apologies,

Zac

Hello Zac,

Whilst I don't expect it will change anything, your report for the above Application appears to be wrong.

In the Representations section you wrote the application was re-advertised and "there was one response to these amended plans" going on to cite the Preservation Society's comments. The Parish Council re-commented and these are visible on the website on 6th December.

Are you able to reissue your report?

Thanks,

Simon
