Hi Anita,

I've had a chat with building control, Paul and Lauren Willard regarding this development which I provided comments to on 02/10/18. Following my conversations, I have agreed that no further evidence is required regarding infiltration. Therefore, I am just going to review the planting in a little more detail, and will provide revised comments based on this later this week. Therefore, I don't recommend the DOC app is refused at this time.

Thanks,

Laura Gibbons, MEng, GMICE
