Ms Roberts,

The original application is EP/21/19/HH not EP/132/19/PL.

I apologise for my mistake.

Thank you,
Mrs Johnson

Ms Roberts,

Thank you for your email.

Unfortunately, the fee of £234.00 is due because this is a different type of application than EP/20/19/HH. The application you submitted on 17/10/2019 is a 'Variation or Removal of Condition' which is not a resubmission of EP/132/19/HH.

If you were re-submitting another householder application then a fee would not be due.

Thank you,
Mrs Johnson

Good Afternoon,

The fee for the submission was calculated as £0.00 on the Planning Portal, under the following exemption

Is this proposal the first revision of an application for a development of the same character or description on the same site by the same applicant and is: 1) within 12 months of making the earlier application if withdrawn, or 2) within 12 months of the date of decision if the earlier application was granted or refused (including signs only if withdrawn or refused), or 3) within 12 months of the period when the giving of notice of a decision on the earlier valid application expired, where an appeal was made for the earlier application on the grounds of non-determination?

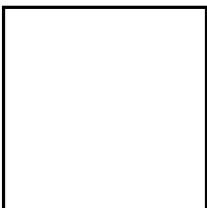

We confirm this application is the first revision of an application for a development of the same character or description on the same site by the same applicant, within 12 months of making an earlier application which was granted.

This is based on a very similar application which I have recently submitted and validated as such.

We trust the application can now proceed to be validated.

Kind Regards,

Sarah Roberts
Architectural Designer
