Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015

Application No: EP/133/21/HH
Site Address: 11 Worthing Road East Preston BN16 1AT
Description of works: Rear roof dormer extension including the installation of 2 x side windows and 3 x front velux rooflights

Thank you for your internet representation made on 16th November 2021 which has been recorded as an objection with the comments as follows:

OWPC41931

I write as Chairman of the East Preston and Kingston Preservation Society. The proposal is an overdevelopment of an already much altered small semi-detached bungalow. The appearance of three roof lights on the street-facing elevation would not fit in with neighbouring buildings. The cumbersome extension to the first floor would be visible from the street and would not appear integrated with or subservient to the original structure and would further compromise the symmetry of the attached bungalow to the west. The proposed side windows would overlook neighbouring properties. Even if these were to be conditioned as obscure glazed, as MOE they would have to be fully opening, again to the detriment of the amenity of neighbouring properties. The Society therefore asks that this application be refused.

Your views as made above will be considered before the application is determined.
