Please ask for:

Mr J Smith

15th February 2012

Dear Sir/Madam

The Town and Country Planning Act 1990 (as amended)

Outline application for erection of detached 2 storey dwelling of sustainable carbon efficient design together with car parking space and bin storage area - Resubmission of EP/123/10

Crinnis Seafield Road East Preston

Thank you for your internet comments made on 14th February 2012 and recorded as follows:

The Planning Committee of this Council met on Tuesday, 7th February, and considered this Application. The Committee agreed to object to this Application on the following grounds:

- 1. The committee felt that the objections raised against previous application EP/123/10 have not been addressed sufficiently.*
- 2. The proposed development in Seafield Road is within an area which is defined in the Arun District Local Plan as an Area of Special Character. It is considered that the proposal would have a detrimental impact on the distinctive special character of the area in conflict with Policy Area 1 of the Local Plan.*
- 3. The proposed development will result in a form of development that would adversely impact upon the spacious character of the area through the introduction of a cramped form of development contrary to the layout of the area. The proposals are therefore contrary to Policy GEN7 of the Arun District Local Plan and policy statements in PPS1 and PPS3.*
- 4. The proposed dwelling on this site would result in an unacceptable relationship with adjoining properties and adversely impact upon the future occupants of the proposed dwelling through a loss of residential amenity contrary to Policy GEN7 of the Arun District Local Plan.*
- 5. From the junction with South Strand and Seaview Road, Sea Road becomes a single track road with no pavements. The council feels that additional development in this area will add to the risk of serious accident in this area.*
- 6. This council is no longer sure of the guidance on "garden grabbing". However, this*

PCrep

council is unhappy that this development would be impacting upon garden space in the village.

For these reasons the Parish Council would like the District Council to refuse planning permission for this Application.

Simon Cross - Clerk to the Council

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please note that Planning Services operate an "open file" policy which means that all documents relating to planning applications, including internet representations objecting to or supporting the proposals, are available for everyone to see. If you do not wish your comments to appear on the file please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

Yours faithfully
