Subject: Parking

Dear sir or madam i am writing to object about the proposed application for Tudor lodge 123 a sea road East Preston of it is granted it will take up a lot of parking spaces which is a problem now I live in Palm Court and for over 20years have parked near my cottage but that space has been swallowed up with the new build so we have to park in South Strand and now they want to take lots of that space

Yours faithfully D Smith. 6 Palm Court South Strand East Preston Bn161nz. Planning ref ep/136/18/pl
