

7th November 2018

Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Variation of condition 2 imposed under EP/59/17/PL relating to approved plans concerning updated site plan & ground floor plan.

Tudor Lodge 125A Sea Road East Preston

Thank you for your internet representation made on 6th November 2018 which has been recorded as '**an objection**' with the comments as follows:

I object to the application to change the parking layout as this access encroaches on to the forecourt of Palm Court Cottages and causing even more disruption, with vehicles coming right up to my front window. The area in front of Palm Court Cottages is a forecourt for the cottages which some owners have maintained for 20 plus years and not an access road for the development.

It was understood that the access to the site would be straight off South Strand, which deliveries and workman have been using during the development with no problem and without using our forecourt.

Since living at Palm Court for over 20 years we have had no problem with parking our vehicles outside our house, now 2 owners have to park on South Strand as they are unable to park outside their house due to the development.

All these adjustments to planning are now showing how over developed the site is.

Unfortunately it is not possible for the council to respond to each representation individually but your views will be considered before the application is determined and I shall write to inform you of any decision made.

If the application is to be determined at the Development Control Committee and your letter has been received after the agenda has been published, you will not receive a separate letter notifying you of the date of the meeting and the procedures for public speaking. In such circumstances, it is recommended that you track the progress of the application on the website or telephone for further information. Please be advised that any comments received after the the Development Control Agenda has been produced will be reported to the meeting. Please also note that only a small number of all planning applications are determined at the Development Control Committee, most are determined by officers under delegated power.

All representations are published on our website so please make sure your views are clear and only include information that you are happy for the public to view. Do not include personal information or information from third parties unless you have their permission to do so. If a complaint is received that permission has not been given for comments included about a third party, the Council reserves the right to redact/remove all relevant information. Do not include information that is defamatory or breaches equality or other legislation. If you do not wish your comments to appear on the website and on the file, please confirm this in writing and I will arrange for it to be destroyed, although this does mean that its contents will be disregarded. For details of what we do with your personal information please refer to our privacy statement comments on planning applications which is available on our website www.arun.gov.uk/planning-privacy-statements.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully

Neil Crowther
Group Head of Planning
