Dear Mrs Gardner,

Thank you for your email and I will get the position of the fire escape checked and amended.

I would just like to mention that the bin and trolley store we are proposing is an improvement over the existing situation where there is no storage facilities at the rear of the shops. Kerbside collection of the commercial bins will continue as at present.

I agree to the extension of time until 22 December but would be grateful for some feedback on the scheme. Perhaps you could call me.

Regards

Dawn

Dear Mrs Appleton,

I acknowledge receipt of the revised site plan and your response letter. I will need to re-consult with County Highways given the provision of the bin and trolley storage for the shops and the amended parking place position. I also note that the position of the existing fire escape stairs differs on the existing and proposed site plans. It is indicated in a more northerly position on the existing site plan. Please can you amend the plans so that both are correct.

I therefore request a further 2 week of extension of time on the application until 22-12-2017 to allow for the plans to be processed and amended comments to be sought.

Regards

Anita Gardner
