Dear Martin,

Its funny as for some reason I was thinking about your application in the car on my way in this morning and the fact that it might be one I get chased on soon.

My numbers are still high at 85 which is proving not to be a manageable amount. However, it looks like I have some free time in the afternoon of Tuesday 1st of May so will start the report then.

Kind Regards

Dear Martin,

Thanks for the message. I have no queries at this time.

Please be aware though that due to a shortage of officers, caseloads within the team are excessively high (I currently have 90) and this is having an impact on the speed of decision making.

Kind Regards
