CONCLUSIONS

PRINCIPLE

In this case, the key policies are D DM1 and D DM4 of the Arun Local Plan. Additionally, Policies 1 and 3 of the East Preston Neighbourhood Development Plan.

Policy D DM1 sets out 13 design aspects of which applications should be assessed against. These include: Character, Appearance, Impact, Innovation, Adaptability, Crime Prevention, Trees, Public realm, Layout, Public Art, Density and Scale.

Policy D DM4 sets out criteria for which applications relating to extensions and alterations of existing buildings must be assessed against. They generally seek to minimise the impact of the proposal on the character of the host dwelling, its neighbours and the locality.

Policy 1 of the East Preston Neighbourhood Development Plan sets out general principles for development within the Parish. Part (i) relates to the scale, density, massing, height, landscape design, layout and materials of development proposals, and how proposals must reflect and enhance the established character of the area.

Policy 3 of the East Preston Neighbourhood Development Plan sets out criteria for the design of proposals within Character Area Two. These are to ensure that a consistent low building height is protected, with no more than 1.5 storeys. Additionally, it ensures that where new rooms are to be created in a roof space, the height, or basic form of the roof will not be altered.

DESIGN AND VISUAL AMENITY

Due to its siting, the proposed development will not be visible within the street scene, as it will be screened by built form. The proposed extension is considered to appear subservient to the host dwelling, and well integrated with its form, largely due to its modest scale, and siting. The proposed extension is considered to be in accordance with D DM1, D DM4(a) and (b) of the Arun Local Plan.

NEIGHBOURING RESIDENTIAL AMENITY

The proposed development is not considered to result in any significantly overbearing or overshadowing impact upon occupiers of adjacent dwellings. This is due to the aspect of the application site, and the modest scale of the proposed development. With regard to loss of privacy to adjacent occupiers, the extension features windows at ground floor level only and therefore, any views are the same as those existing from the application site. The proposed extension is considered to be in accordance with D DM1(3) and D DM4(c) of the Arun Local Plan.

SUMMARY

The proposed development is deemed to accord with relevant development plan policies and as such is recommended for approval subject to the following conditions.

HUMAN RIGHTS ACT

The Council in making a decision should be aware of and take into account any implications that may arise from the Human Rights Act 1998. Under the Act, it is unlawful for a public authority such as Arun District Council to act in a manner, which is incompatible with the European Convention on Human Rights.

Consideration has been specifically given to Article 8 (right to respect private and family life) and Article 1 of the First Protocol (protection of property). It is not considered that the recommendation for approval of

the grant of permission in this case interferes unreasonably with any local residents' right to respect for their private and family life and home, except insofar as it is necessary to protect the rights and freedoms of others (in this case, the rights of the applicant). The Council is also permitted to control the use of property in accordance with the general interest and the recommendation for approval is considered to be a proportionate response to the submitted application based on the considerations set out in this report.

DUTY UNDER THE EQUALITIES ACT 2010

In assessing this proposal the following impacts have been identified upon those people with the following protected characteristics (age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex or sexual orientation).

The proposal would have a neutral impact on the protected characteristics.

RECOMMENDATION

APPROVE CONDITIONALLY

- 1 The development hereby permitted shall be begun before the expiration of 3 years from the date of this permission.

Reason: To comply with Section 91 of the Town and Country Planning Act 1990 (as amended).

- 2 The development hereby approved shall be carried out in accordance with the following approved plans:

- Site Plan & Roof Plan
- Proposed single storey rear extension - EP/OR/03 - Jan 2020

Reason: For the avoidance of doubt and in the interests of amenity and the environment in accordance with policy D DM1 of the Arun Local Plan.

- 3 **INFORMATIVE:** Statement pursuant to Article 35 of the Town and Country Planning (Development Management Procedure)(England) Order 2015. The Local Planning Authority has acted positively and proactively in determining this application by assessing the proposal against all material considerations, including planning policies and any representations that may have been received and subsequently determining to grant planning permission in accordance with the presumption in favour of sustainable development, as set out within the National Planning Policy Framework.
