PLANNING POLICY GUIDANCE

NPPF

National Planning Policy Framework

POLICY COMMENTARY

The Development Plan consists of the Arun District Local Plan 2003, West Sussex County Council's Waste and Minerals Plans and Made Neighbourhood Development Plans.

Arun District Council's Development Plans:

Paragraph 215 of the NPPF ensures that specific policies in Arun District Local Plan 2003 can carry weight. The weight afforded to the policies with Local Plan policies can be assessed according to their level of consistency of the various policies with the National Planning Policy Framework.

Paragraph 216 of the NPPF confirms that weight can be given to policies in emerging plans from the day of publication. The Council resolved that the policies and maps in the Publication Version of the Local Plan be used in the determination of this planning application. Following 'publication' of the Local Plan a formal public consultation, examination and adoption process takes place.

The policies are published under Regulations 19 and 35 of the Town and Country Planning (Local Planning) (England) Regulations 2012. The statement of representations procedure and statement of fact produced by the Council under regulation 19 explains that the consultation will take place on 30th October 2014 for six weeks.

The Neighbourhood Development Plan

Where applicable, Neighbourhood Development Plan's (more commonly known as a neighbourhood plan or NDP), once made by Arun District Council, will form part of the statutory local development plan for the relevant designated neighbourhood area and policies within them will be considered in determining planning applications. Made NDP policies will be considered alongside other development plan documents including Arun District Council's Local Plan. Whilst an NDP is under preparation it will afford little weight in the determination of planning applications.

Its status will however gain more weight as a material consideration the closer it is towards it being made. Arun District Council will make reference to an NDP when it has, by the close of planning application consultation, been publicised for pre-submission consultation(Reg.14).

Made Plans in Arun District Council's Local Planning Authority Area are: Arundel; Barnham & Eastergate; Felpham.

DEVELOPMENT PLAN AND/OR LEGISLATIVE BACKGROUND

Section 38(6) of the Planning and Compulsory Purchase Act 2004 states:-

"If regard is to be had to the development plan for the purpose of any determination to be made under the planning Acts the determination must be made in accordance with the plan unless material considerations indicate otherwise."

The proposal is considered to comply with relevant Development Plan policies in that it would have no materially adverse effect on the visual amenities of the locality or the residential amenities of the adjoining properties, nor would it have an adverse impact upon the established character of the surrounding area.

OTHER MATERIAL CONSIDERATIONS

It is considered that there are no other material considerations to warrant a decision otherwise than in accordance with the Development Plan and/or legislative background.

CONCLUSIONS

The site is located within the built-up area boundary where the principle of development is acceptable, subject to accordance with relevant planning policies. The main criteria against which this application will be assessed is contained within the Arun District Local Plan which in this case is policy GEN7 which seeks to prevent development where it would have an adverse impact upon the visual and residential amenity of the area.

The planning application seeks permission for the erection of a porch forward of the primary elevation. The proposed porch will be constructed for both 129 and under separate reference EP/142/14/HH for 129 Roundstone Drive preserving the character of the dwellings and their mirrored appearance. The proposed porch has been designed sympathetically and is in keeping with the existing character of the area and is visually integrated with the existing building in siting, design, form and scale.

Therefore, the proposal is deemed to be in accordance with policies GEN7 and DEV19 of the Arun District Local Plan and it is recommended that subject to the following conditions the application is approved.
