

Please attach to the application as amended plans

Good morning Finlay

I have attached a more accurate idea as to the proposals, but the reason to apply for the certificate was to establish that the use of any type of velux was not restricted under the original approvals.

Hope the attached is ok.

Regards

Brian

Dear Mr Elstone,

I am emailing regarding your application on 5 Matrons Cottages. In the application for a certificate of proposed lawful development you have specified that the Velux windows will be of various sizes and on the proposed location and site plans the windows show are all the same size. The proposed plan does not have any Velux windows on the dwellinghouse. Can the plans be amended to illustrate the proposal please.

I look forward to hearing your response.

Kind regards
Finlay Gardner
