Mark Jones

15th December 2017

Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)
Town & country Planning (Development Management Procedure) (England) Order 2015

Extend garage & form pitched roof over. Single storey infill extension between enlarged garage & house. Formation of enlargement to existing dormer on SE elevation & addition of pitched roof to existing dormer on NW elevation. Removal of tile hanging from gables & dormers & fitting fibre cement weather board.

9 Nursery Close East Preston

Thank you for your internet representation made on 14th December 2017 which has been recorded as '**support**' with the comments as follows:

I have viewed these plans and think they are sensible for both the house and the area.

It also appears to me that a vast majority of what has been submitted could actually be done under Arun Council permitted development. It is not too dissimilar to the development taken place at 2 Nursery Close (and in fact is almost identical), but is much less intrusive to that taken place at 10 Nursery Close.

2 Nursery Close is next to my building and the development of this premise looks very good, and is still in keeping with the area.

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please be aware that if the application is to be determined by the Council's Development Control committee and your letter has been received at a late stage after the Agenda has been published you will not receive a separate letter notifying you of the date of the meeting and procedures for public speaking. In such circumstances it is recommended that you track the progress of the application on the Council's website or telephone the Council for further information. Please be advised that any comments you make that are not included within the Committee Agenda will be reported to the Members of the Development Control committee. Please also be aware that only a small number of all planning applications received go the Development Control Committee. Most are determined under delegated powers by Officers in which case your comments will again be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish details of your comments on the internet on the Arun District Council Planning section. Please ensure that you only provide information that you are happy will be made available in this way. If you supply information belonging to a third party, please ensure you have their permission to do so. If you do not wish your comments to appear on the 'open file' please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully

Neil Crowther
Group Head of Planning
