Hi Mark.

Grey is most likely but please deal with this by condition if required.

All the best.

David

Can you confirm the colour of the cement weatherboarding. I am assuming grey but if you can confirm thanks

Mark

Hi Mark.

Following my previous email and telephone messages, the determination date is now upon us (today) and I still haven't had any feedback from you.

I would be grateful if you could let me know what stage the determination process is at.

Many thanks.

Dear Mr Bennett

As with all applications they are reviewed by the appropriate manager before reaching a conclusion. Therefore, at the moment I cannot confirm the recommendation. I will be looking to pass my report through for review once the Council reopens after the new year break, I will try to confirm matters to you as soon as I can following this

Regards

Mark Jones

Thanks Mark.

I am aware of the objections as is the applicant.

I do expect you to be in support of the proposals so an indication of that would be appreciated before you go on leave so that I can update the applicant.

Many thanks.

Hi David

Apologies for delay which was an oversight by myself.

At the moment I have not reviewed the application fully. I am at present clearing applications with a deadline before Xmas. However, I will try to get some initial views to you before I go on leave on Dec20. However, it is not likely that the application will be determined until the new year due to the Xmas break.

I am sure you are aware we have received an objection from the Parish Council and also one other objection, both should be available to view online if you have any comments.

As said I will try and get my views to you as soon as I can.

Kind regards

Mark
