Good morning

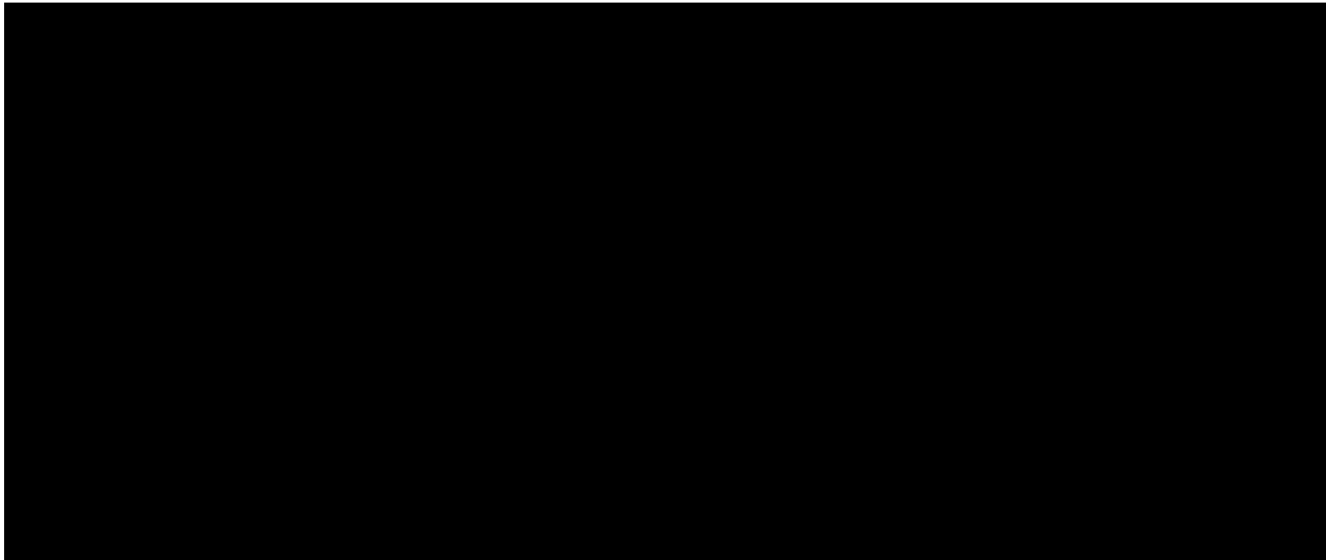

Please find attached a revised block plan showing the rear dimension and where the existing drive is. Also attached is the updated planning application form with drive extension included. As I had to amend the application, it also had to be resubmitted to yourselves to enable me to download you a copy.

Below is details of the payment that was made through the planning portal system. You received the application through the planning portal and it is impossible to send to you now without taking payment, they must have another cliche, I will inform them you did not receive this information with the application.

Many thanks

June Grinstead MCIAT
