Dear Mr Beaza

With regards to Condition 3 of the approval granted under EP/69/18/PL

Please accept this email as an OBJECTION to one of the finishes described in the application, that is, the 'anthracite grey roof tiles'. If approved, this finish will be completely out of character with the properties surrounding the development which are either hand-made brown/red clay roof tiles, machine-made brown/red clay tiles, or concrete brown/red tiles. There is one exception - a thatched roof cottage at 9 South View.

If we have to accept the unacceptable please at least require the development blends in with the surrounding buildings.

Best wishes,
Steven Wilkinson
