Dear Mrs Gardner,

With reference to M/S Melissa Mantle's objection raised 31st October 2014 which states the detached bungalow is out of character of the existing bungalows, houses (all terrace and semi detached).

This statement is erroneous as the new redesign mimics it's surroundings. that of no. 37 Orchard Road and its neighbours. Using the best possible street scene to do so and the East Prston

Village Design Statement which says:- **"BUILDINGS WHICH SHOULD BE COMPATIBLE WITH, BUT NOT NECESSARILY SIMILAR TO, THE EXISTING BUILDINGS IN THE ROAD"**.

No 1 Orchard Road on the same South side **IS A DETACHED** bungalow whose dwellings moves further South than those Bungalows it stands next to in the road. See attached pictures

If we can park **SEVEN** vehicles **on the driveway** this only **HIGHLIGHTS** the available space already there, without the garden area on no. 37 converted into parking space, which it will have done if the build goes ahead. Proving there IS sufficient off road parking available to us, as we are not moving. Our cars are legally road taxed and we would be within our right to park outside our houses and on the road, without causing an obstruction, if we wished.

Reference to M/S Mantle's objection the I had "Claimed" land from the neighbouring council land and that I am now intending to build on that is not mine!!!!!!!!!!!!!!

Is totally untrue, unfounded and a libel statement which is defamatory upon my good name!!!!!!!!!!!!!!!!!!.

Your own Council letter dated 22th August 2014 reference ENF/344/13/ states "with reference to a reported alleged breach of planning control at the above address...I can now confirm NO EVIDENCE of A BREACH of planning control HAS BEEN FOUND in THIS CASE.

The land to be used belongs to this address, not the Council.

Picture 4 shows view across the back of the gardens with the detached bungalow in the distance and the shows the other dwellings moving SOUTHWARDS into the gardens, not in a straight line.

Yours sincerely,

Mrs Carolyn Pannell
