24 January 2020

Dear Emma,

Firstly, let me thank you for the opportunity to quote on the glazing works that you require. After an initial site visit, we would like to offer the following quote, which should it be favoured with your order, will receive our best and prompt attention. Please note that all windows and doors are as viewed from the outside.

Preparation - before carrying out any replacement window works we would prepare your property for the installation. This will include using dust sheets / plastic sheeting in the required areas and covering furniture as required. All of our employees also carry equipment / hoovers to clean / sweep the area after the installation to leave in a clean and tidy manner. We ensure all waste is disposed of responsibly, our waste transfer certificate is available upon request.

Location	Details	Cost
En-suite window	To supply and install into prepared opening new white upvc, double glazed window sized 600 x 900. To be glazed with obscure glass and	£ + vat

Specialists in all types of glass

to include white furniture. To have a trickle vent and restrictive hinges applied.

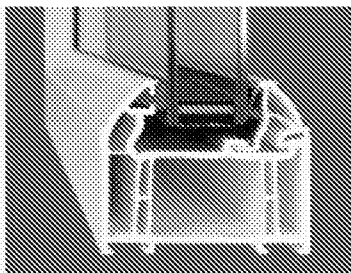

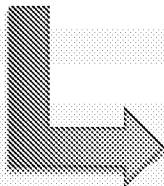

1-600x900

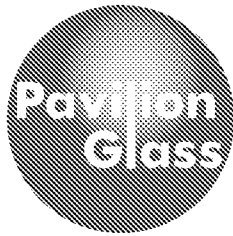

Weatherseal performance matters in windows and doors, that's why ours are supplied with Q-Lon pre-inserted into all sections. The benefits are:-

- Best acoustic and thermal performance across the widest temperature range
- 99% memory recovery, therefore retaining shape year after year
- 20 year guarantee on gaskets
- Gaskets are placed under the glass so that you don't have unsightly big black lines around the glass edges
- Please note that all double glazed units incorporate low 'E' glass which has a slight tint.

Did You Know:-

- We also supply and install Conservatories and Fascia Soffits and Guttering
- We have an emergency out of hours service
- We carry out repairs to all types of glass
- We supply cut to size mirror and table tops

We are a FENSA registered member (16737) employing our own dedicated fitting teams, which means as soon as your new frame installation/s have been completed and payment received we will send you our 10-year guarantee which is also insurance backed by the Glass and Glazing Federation. We will register your installation with FENSA, who will then send you your certificate of compliance.

Installation should take approximately 1 day and this will include all making good and the disposal of debris. I hope the above will be acceptable to you and should you wish to proceed with your quotation we would require a 20% deposit leaving the balance payable on completion.

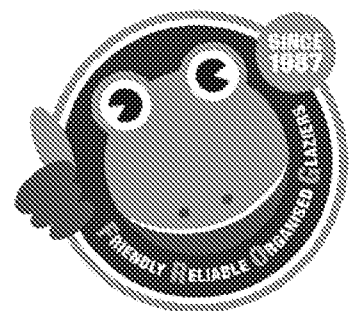

Why choose us?

- Family run company established since 1987
- Professional service and friendly advice given
- Competitive prices without compromising on quality
- Currently undertake works for Sussex Police, Local Authorities, Schools and Colleges
- All engineers have been passed through the Sussex Police vetting system
- See www.checkatrade.com to see all of our reviews
- NVQ trained glazing installers

We hope you find this quotation of interest and we look forward to receiving your further instructions. If there are any details that you wish to discuss please do not hesitate to contact me.

Yours Sincerely,

Steven Carlberg
