Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015

Application No: EP/14/21/HH
Site Address: 38 The Roystons East Preston BN16 2TS
Description of works: Single storey side and rear extensions and conversion of roofspace to habitable use

Thank you for your internet representation made on 2nd March 2021 which has been recorded as an objection with the comments as follows:

OWQC34154

The Planning & Licensing Committee of this council considered this Application at its meeting on Monday, 22nd February. The applicant was invited to attend, via the agent, but did not.

The committee agreed to raise the following objections to this Application.

The property is on a corner plot and visible most of the way down The Roystons when approaching from the south. The existing property is an attractive cottage-style building, dating from the 1930s. This council believes the proposed property will be overbearing on neighbouring properties as well as the streetscene. Only one nearby property is similarly modern and that is not visible when approaching this property from the south. The width of the proposed property will, this council believes, dominate the plot as it leaves little space on the eastern side and the space on the western side is mainly for the driveway. The proposal is contrary to Policy 1, Paragraph 4.10 of the East Preston Neighbourhood Plan which states, It is important to avoid new buildings which appear overbearing by reason of their size, and alterations which harm the character of a road.

The proposed materials do not harmonise in both colour and texture with the materials used in adjoining buildings thus conflicting with Policy 1 of the East Preston Neighbourhood Plan.

The character of the existing building will be lost, features such as the eyebrow window and leaded lights placing the current property firmly in its time and location.

As neighbours have already commented, the proposed building will reduce the privacy of the back gardens of several neighbouring properties. This would be unneighbourly.

The scale and mass of the proposed property will, this council believes, have an unacceptable impact upon the character and appearance of the immediate locality and residential amenities of the occupiers of neighbouring properties. This would be in conflict with policies D DM1 and D DM4 of the Arun Local Plan and Policies 1 and 3 of the East Preston Neighbourhood Plan.

For these reasons this council asks Arun District Council to consider refusing Planning Permission for this proposal.

Simon Cross Clerk to the Council
