East Preston Neighbourhood Plan 2014 Policy 2	Design in Character Area One

PLANNING POLICY GUIDANCE:

NPPF	National Planning Policy Framework
NPPG	National Planning Practice Guidance

CONCLUSIONS

PRINCIPLE

The application site is located within the built up area boundary, where the principle of development is acceptable subject to accordance with the relevant development plan policies, as stated in SD SP2 of the Arun Local Plan. In this case, the key policies are deemed to be D DM1 and D DM4 of the Arun Local Plan. Additionally, Policies 1 & 3 of the East Preston Neighbourhood Development Plan.

Policy SD SP2 of the Arun Local Plan states that development should be focused within the Built Up Area Boundary, and will be permitted subject to consideration against other policies in the Local Plan.

Policy D DM1 sets out 13 design aspects of which applications should be assessed against. These include: Character, Appearance, Impact, Innovation, Adaptability, Crime Prevention, Trees, Public realm, Layout, Public Art, Density and Scale.

Policy D DM4 sets out criteria for which applications relating to extensions and alterations of existing buildings must be assessed against. They generally seek to minimise the impact of the proposal on the character of the host dwelling, its neighbours and the locality.

Policy 1 of the East Preston Neighbourhood Development Plan sets out general principles for development within the Parish. Part (i) relates to the scale, density, massing, height, landscape design, layout and materials of development proposals, and how proposals must reflect and enhance the established character of the area.

Policy 3 of the East Preston Neighbourhood Development Plan sets out criteria for the design of proposals within Character Area Two. These are to ensure that a consistent low building height is protected, with no more than 1.5 storeys. Additionally, it ensures that where new rooms are to be created in a roof space, the height, or basic form of the roof will not be altered.

DESIGN AND VISUAL AMENITY

The proposal is situated at the rear of the host dwelling, and resultant of this, there are few easily available views of this extension from the street scene. As a result of this, the proposed development is not considered to have a significantly detrimental impact on the established character of the area, or its spatial pattern.

The proposed development is considered to appear subservient and well integrated with the host dwelling, resultant of its modest scale, and matching materials. The extensions maximum height is 2.5m lower than the ridge height of the host dwelling. These factors allow the extensions to appear sympathetic to the established character of the host dwelling.

The proposed development is considered to be in accordance with D DM1, D DM4(a) and (b) of the Arun Local Plan in terms of design and visual amenity. Additionally, it is deemed to be in accordance with Policy 3 of the East Preston Neighbourhood Development Plan.

NEIGHBOURING RESIDENTIAL AMENITY

The proposed development is not considered to cause undue levels of overshadowing towards neighbouring properties, not appear overbearing. Whilst the extension is approximately 1m to the boundary to the East, the roof design is such that the roof height when closest to the boundary is 3m, which is considered to alleviate any potential overbearing impact on the neighbour to the East. To the West, the extension is sited over 3m from this boundary, as a result of an existing garage. Therefore, the proposed development is not considered to have any significant impact on overshadowing, or loss of

light to adjacent dwellings.

The proposed development is deemed to be in accordance with D DM1(3) and D DM4(c) of the Arun Local Plan.

SUMMARY

The proposed development is deemed to accord with relevant development plan policies and as such is recommended for approval subject to the following conditions.

HUMAN RIGHTS ACT

The Council in making a decision should be aware of and take into account any implications that may arise from the Human Rights Act 1998. Under the Act, it is unlawful for a public authority such as Arun District Council to act in a manner, which is incompatible with the European Convention on Human Rights.

Consideration has been specifically given to Article 8 (right to respect private and family life) and Article 1 of the First Protocol (protection of property). It is not considered that the recommendation for approval of the grant of permission in this case interferes unreasonably with any local residents' right to respect for their private and family life and home, except insofar as it is necessary to protect the rights and freedoms of others (in this case, the rights of the applicant). The Council is also permitted to control the use of property in accordance with the general interest and the recommendation for approval is considered to be a proportionate response to the submitted application based on the considerations set out in this report.

DUTY UNDER THE EQUALITIES ACT 2010

In assessing this proposal the following impacts have been identified upon those people with the following protected characteristics (age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex or sexual orientation).

The proposal would have a neutral impact on the protected characteristics.

RECOMMENDATION

APPROVE CONDITIONALLY

- 1 The development hereby permitted shall be begun before the expiration of 3 years from the date of this permission.

Reason: To comply with Section 91 of the Town and Country Planning Act 1990 (as amended).
- 2 The development hereby approved shall be carried out in accordance with the following approved plans:

 - Block Plan - 1018_202 - Rev. A - 30.10.10
 - Proposed Plans - 1018_201 - Rev. - 05.10.10
 - Proposed Elevations - 1018_301 - Rev. - 05.10.10
Reason: For the avoidance of doubt and in the interests of amenity and the environment in accordance with policy D DM1 of the Arun Local Plan.
- 3 The materials and finishes of the external walls and roof of the development hereby permitted

shall match in colour and texture those of the existing dwelling.

Reason: In the interests of amenity in accordance with policy D DM1 of the Arun Local Plan.

- 4 INFORMATIVE: Statement pursuant to Article 35 of the Town and Country Planning (Development Management Procedure)(England) Order 2015. The Local Planning Authority has acted positively and proactively in determining this application by assessing the proposal against all material considerations, including planning policies and any representations that may have been received and subsequently determining to grant planning permission in accordance with the presumption in favour of sustainable development, as set out within the National Planning Policy Framework.
