Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015

Application No: EP/157/20/HH
Site Address: 29 Tamarisk Way East Preston BN16 2TE
Description of works: Demolition of part of existing garage and outbuildings. Erection of new 3 bay garage. Extensions and internal and external remodelling of existing dwelling including change from thatch to clay tiled roof.

Thank you for your internet representation made on 26th January 2021 which has been recorded as an objection with the comments as follows:

OWPC33236

The proposed development will have an adverse impact on the visual amenity of the western part of Tamarisk Way. The large garage block which is proposed will replace an open area of lawn and the effect will be to move the building line much closer to the road than it has been since the property was built in the 1930s. This will have a significant negative impact on the amenity of my property both in terms of proximity and height. While recognising the concerns about the thatch it is unfortunate that the evidence presented is largely anecdotal and factually incorrect regarding the cause of the recent previous thatched house fire in this road which was caused by a faulty chimney. In 23 years here I have never seen any barbecue activity on the greensward which is in any case prohibited and clearly signed.

Your views as made above will be considered before the application is determined.
