Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015

Application No: EP/157/20/HH
Site Address: 29 Tamarisk Way East Preston BN16 2TE
Description of works: Demolition of part of existing garage and outbuildings. Erection of new 3 bay garage. Extensions and internal and external remodelling of existing dwelling including change from thatch to clay tiled roof.

Thank you for your internet representation made on 4th February 2021 which has been recorded as support with the comments as follows:

OWPC33516

I support this application.

It is a great improvement on the tired looking existing property by Neil Holland and his team. It will certainly improve that part of Tamarisk Way.

As a long time resident of East Preston I walk the beach regularly and I am all too aware the increased incidence of people having fires and barbecues on the beach over the last couple of years. I fail to understand how others in the area cannot know about the issues. No signs are on the beach itself prohibiting the activity.

Your views as made above will be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish your comments including your name and address on the website. Please make sure that you have only provided information that you are happy will be published in this way. If you have supplied information belonging to a third party, you must make sure you have their permission to do so. If you do not wish your comments to appear on the website or on the file you will need to confirm this by emailing to planning@arun.gov.uk and I will arrange for it to be destroyed although this means that the content will then be disregarded.

The majority of applications are determined under delegated powers by officers. Further information on the decision making process can be found on the website at <https://www.arun.gov.uk/planning-decision-process>.

Some applications will be determined by the Development Control Committee, and I shall write and inform

you of the date of the meeting and the procedures for public speaking if this is the case. However, if your representation has been received after the agenda for the meeting has been finalised and the notifications have been generated, you will not receive notification. In this case, you will need to track the progress of the application on the council's website <https://www.arun.gov.uk/weekly-lists>

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Development Control Committee.

Regardless of how the application is determined I will notify you of the decision.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours sincerely

Neil Crowther
Group Head of Planning
