Simon Cross - Clerk to the Council

Your views will be considered before the application is determined. Due to the volume of applications dealt with by this Authority it is not normally possible to reply to individual letters. However, I shall write to inform you of any decision made.

Please note that Planning Services operate an "open file" policy which means that all documents relating to planning applications, including internet representations objecting to or supporting the proposals, are available for everyone to see. If you do not wish your comments to appear on the file please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

Yours faithfully

Howard Cheadle
