Mr J Baeza

6th December 2018

Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Variation of condition No.3 imposed under planning reference no: EP/45/17/HH relating to the proposed materials

11 Beechlands Close East Preston

Thank you for your internet representation made on 5th December 2018 which has been recorded as '**an objection**' with the comments as follows:

In addition to my main objection sent earlier, I would like to add that as seen from Beechlands Close itself, where this large house is situated in a far corner of the cul de sac, the height and colour of the roofing may not be so objectionable as the house is hardly visible from that side.

Attention needs to be given to the eastern side, the Vermont Way side of this large building, anyone living along this road, visiting this road or just passing through, cannot help but be overpowered by this large grey blob that looms over our bungalows.

Should anyone from the council visit the site to see the grey roofing I would ask that they visit Vermont Way to gain the full impact of this enormous house.

It is from this side that it really has an affect.

To be honest it's quite shocking from our side.

The grey roof is totally out of place and is not acceptable.

Unfortunately it is not possible for the council to respond to each representation individually but your views will be considered before the application is determined and I shall write to inform you of any decision made.

If the application is to be determined at the Development Control Committee and your letter has been received after the agenda has been published, you will not receive a separate letter notifying you of the date of the meeting and the procedures for public speaking. In such circumstances, it is recommended that you track the progress of the application on the website or telephone for further information. Please be advised that any comments received after the the Development Control Agenda has been produced will be reported to the meeting. Please also note that only a small number of all planning applications are determined at the Development Control Committee, most are determined by officers under delegated power.

All representations are published on our website so please make sure your views are clear and only include information that you are happy for the public to view. Do not include personal information or information from third parties unless you have their permission to do so. If a complaint is received that permission has not been given for comments included about a third party, the Council reserves the right to redact/remove all relevant information. Do not include information that is defamatory or breaches equality or other legislation. If you do not wish your comments to appear on the website and on the file, please confirm this in writing and I will arrange for it to be destroyed, although this does mean that its contents will be disregarded. For details of what we do with your personal information please refer to our privacy statement comments on planning applications which is available on our website www.arun.gov.uk/planning-privacy-statements.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully

Neil Crowther
Group Head of Planning
