The Planning Portal is not working for me to submit comments that way.

This council's Planning & Licensing Committee considered this Application at its meeting on Friday, 28th December. The applicant's daughter attended and addressed the meeting.

The committee agreed to object to this Application as it agreed with the view of the East Preston & Kingston Preservation Society that the colour chosen for the roof is not in keeping with other properties in Beechlands Close. For this reason, this council asks Arun District Council to consider refusing Planning Permission for this Application.
