Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015

Application No: EP/163/21/HH
Site Address: 4 Selhurst Close East Preston BN16 2SR
Description of works: Single storey front extension, conversion of integral garage and new detached garage.

Thank you for your internet representation made on 14th January 2022 which has been recorded as an objection with the comments as follows:

OWPC43260

I write as Chairman of the East Preston and Kingston Preservation Society. The extensions and garage proposed for this plot would present a cramped appearance in an area characterized by spacious development. The northern corner of the ground floor extension would be close to the boundary with number 5 Selhurst Close. The impact of this would be aggravated by the necessity of removing a mature hedge along the northern boundary. The position of the garage so far forward of the house is another aspect of the design that would compromise the relationship of structures on this plot with other properties in Selhurst Close. This is exacerbated by the height of the garage (3.745m). The Society asks that this application be refused for all the above reasons.

Your views as made above will be considered before the application is determined.

In this case, you will need to track the progress of the application on the council's website <https://www.arun.gov.uk/planning-application-search>

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Planning Committee.

Regardless of how the application is determined I will notify you of the decision.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours sincerely

Neil Crowther
