Good Afternoon Andrew, I dropped off our objections to the above at the council offices yesterday. Unfortunately it hard to be in hard copy form. I am unsure as to how this is then represented on the site ,do you scan in all in ? In which case I apologise for making additional work for you. Part of the objection is to contradict the statement from Appleton Town Planning that large vehicles can no longer currently access the site so no change is proposed. Please see attached recent photograph taken from our own cctv showing a large vehicle at the rear of the Three Oceans Fish & Chip Shop delivering. I would be grateful if this photo could be added , kind regards Laurence Pilfold
