Dear Zac,

Please could you add this comment to the records for the above Planning Application.

Owing to the intervention of a member of the public, this council's Planning & Licensing Committee discussed this Application further at its meeting on Monday, 8th April. This council saw no reason to withdraw its objections, but did agree to ask me to let the Local Planning Authority know it believes the principal elevation of this property is the southern elevation. This is obviously important for the Permitted Development rights on this corner plot.

Thanks Zac.
