Dear Mr Page

As discussed you do need to complete a new application form with the owner of the property as the applicant, you as the agent and then you can complete certificate A on the owners behalf if they do own the property

The easiest way is probably to complete a new paper form which I can swap over with the original. The pack contains 3 copies but I only need one. You can either fill it in, scan it in and email it back or bring the hard copy into the office for my attention so that it does not accidentally treated as a new application.

You will be getting a formal letter shortly

Yours sincerely

Nicola Spencer

Dear Mr Page,

Apologise for the second email.

Please can you clarify the chimney removal shown on the Proposed Elevations? It would appear to be the chimney on the 'left' hand side, on the proposed Southern elevation, and the Northern elevation also?

Kind regards,

Zac
