Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015

Application No:	EP/16/24/HH
Site Address:	14 Cheviot Close East Preston BN16 1EX
Description of works:	Drop kerb and install car charging port.

Thank you for your internet representation made on 16th April 2024 which has been recorded as an objection with the comments as follows:

OWQC66731

This council's Planning & Licensing Committee considered this Application at its meeting on Monday, 15th April.

The committee agreed unanimously to object to this Application not because of the actual driveway but the materials chosen for the driveway. A tarmac driveway will negatively impact upon the look of the WSCC grass verge it is proposed to cross - suitable other products are available which will bear the weight of a car whilst still allowing grass to grow and retain the grass verge. This council is keen to retain grass verges where possible. In principle the council does not object to the driveway nor the charging point.

Simon Cross - Clerk to the Council
