Information about the proposed use(s)

If you consider the proposed use is within a 'Use Class' in the Town and Country Planning (Use Classes) Order 1987 (as amended), state which one:

C3 - Dwellinghouses

Is the proposed operation or use

☒ Permanent ☐ Temporary

Why do you consider that a Lawful Development Certificate should be granted for this proposal?

- Whilst the garage required planning permission due to it's size it is still an 'outbuilding', detached from and supplementary to the main house.
- Extensions to 'outbuildings' do not require planning permission as long as they comply with the limitations set out within the permitted development guidance.
- The proposed conservatory extension complies with the size limits set out for 'outbuildings' within the permitted development guidance.
- The proposed conservatory extension is located behind the principle elevation of the main house.
- The total area of 'outbuildings' on the site is well below 50% of the land area available.

Can the site be seen from a public road, public footpath, bridleway or other public land?

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
