Dear Mark.

Happy New Year to you all.

The Parish have brought it to my attention that there appears to be a word missing from the description for the above NMA.

“Non-material amendment following grant of EP/68/21/HH to increase the height of the proposed structure by 300mm over that approved and increase the depth of the structure by 500mm, retaining distance from high(way) and neighbours boundary as per the original proposal and replace barn style doors with Roller garage door to enhance security and accommodate traditional oak knee bracing.”

I presume way it supposed to read ‘highway’ but I would be grateful if you could confirm. I will also need your authorisation to formally amend the description.

Many thanks,

Kathryn Welch
