Dear Carl,

Thank you for your email. Please see below screenshot which will hopefully clarify. This has been shown on the existing and proposed floor plans and the existing elevation, however is not shown on the proposed north elevation.

Kind Regards,

FAO, Charlotte Boudin

Dear Charlotte,

Please find attached a revised site plan showing the distances from boundaries as requested. With regard to your second point, please could you clarify the discrepancy with the elevations. Please note that the proposed side elevation from the north includes the 1.0m front extension that can be seen from the north.

Kind regards
