DSP1	D SP1 Design

[East Preston Neighbourhood Plan 2014 Policy 5](#) Design in Character Area Four

PLANNING POLICY GUIDANCE:

NPPF	National Planning Policy Framework
NPPG	National Planning Practice Guidance

CONCLUSIONS

PRINCIPLE

The application site is located within the built up area boundary, where the principle of development is acceptable subject to accordance with the relevant development plan policies, as stated in SD SP2 of the Arun Local Plan. In this case, the key policies are deemed to be D DM1 and D DM4 of the Arun Local Plan. Additionally, Policy 1 and 5 of the East Preston Neighbourhood Development Plan.

Policy SD SP2 of the Arun Local Plan states that development should be focused within the Built Up Area Boundary, and will be permitted subject to consideration against other policies in the Local Plan.

Policy D DM1 sets out 13 design aspects of which applications should be assessed against. These include: Character, Appearance, Impact, Innovation, Adaptability, Crime Prevention, Trees, Public realm, Layout, Public Art, Density and Scale.

Policy D DM4 sets out criteria for which applications relating to extensions and alterations of existing buildings must be assessed against. They generally seek to minimise the impact of the proposal on the character of the host dwelling, its neighbours and the locality.

EP- Policy 1 -

Policy 1 of the East Preston Neighbourhood Development Plan sets out general principles for development within the Parish. Part (i) relates to the scale, density, massing, height, landscape design, layout and materials of development proposals, and how proposals must reflect and enhance the established character of the area.

EP - Policy 5 - DA4

Policy 5 of the East Preston Neighbourhood Development Plan sets out criteria for the design of proposals in Character Area Four. These criteria intend to preserve the street scene, through retention of low front walls, or open frontages, by avoiding high front walls or fences. Additionally, it specifies that provision for off-street car parking by way of removing roadside verges is supported.

DESIGN AND VISUAL AMENITY

The proposed two storey extension is considered to result in a change of appearance of the host dwelling, as a result of the scale of the proposed extension. However, it is not considered to have a significantly detrimental impact on the established character of the host dwelling as a result of its design and use of materials. Whilst it is not considered to be a subservient addition to the dwelling as a result of its scale, it appears to be visually integrated well with the existing dwelling. Therefore, the proposed extension is considered to be in conflict with D DM4(b) of the Arun Local Plan. However, it is in accordance with D DM4(a) of the Arun Local Plan. The proposed extension is readily visible from the street scene, resultant of its prominent location. However, given the position and dimensions of the extension it is considered that as a result of the appearance of the properties in the locality, and the integration of the extension, the development is not considered to be visually harmful to the established character of the area or the property. The area does not have a uniform spatial character as a result of inconsistent roof shapes, and whilst the extension impedes on an established spatial gap, there is considered to be an acceptable gap retained to allow the proposal to not have a harmful impact upon the established spatial pattern. As a result of this, the proposal is deemed to be in accordance with D DM1 and D DM4(e) of the Arun Local Plan, and the relevant policies of the East Preston Neighbourhood Development Plan.

The proposed front porch is visible from the street scene, however, it is considered that as a result of its modest design, and the presence of similar development in the area. The proposed single storey rear

extension is considered to be an acceptable addition to the host dwelling. This is as a result of its position at the rear of the property allowing few available views of the proposed development, additionally, it is considered to be a sympathetic and subservient addition to the host dwelling. This aspect of the proposed development is considered to be in accordance with D DM1, D DM4(a) and (b) of the Arun Local Plan.

NEIGHBOURING REISDENITAL AMENITY

The proposed development is not considered to have any significant impact on occupiers of adjacent dwellings. This is as a result of the aspect of the development, and a significant separation distance between the host dwelling and adjacent dwellings. Additionally, it is not considered that there will be a loss of privacy as a result of the host dwelling, this is because whilst there are windows featured on the host dwelling, there are no windows proposed that provide any views different to those available on the host dwelling.

The proposed development is considered to be in accordance with D DM1(3) and D DM4(c) of the Arun Local Plan.

SUMMARY

The proposed development is deemed to accord with relevant development plan policies and as such is recommended for approval subject to the following conditions.

HUMAN RIGHTS ACT

The Council in making a decision should be aware of and take into account any implications that may arise from the Human Rights Act 1998. Under the Act, it is unlawful for a public authority such as Arun District Council to act in a manner, which is incompatible with the European Convention on Human Rights.

Consideration has been specifically given to Article 8 (right to respect private and family life) and Article 1 of the First Protocol (protection of property). It is not considered that the recommendation for approval of the grant of permission in this case interferes unreasonably with any local residents' right to respect for their private and family life and home, except insofar as it is necessary to protect the rights and freedoms of others (in this case, the rights of the applicant). The Council is also permitted to control the use of property in accordance with the general interest and the recommendation for approval is considered to be a proportionate response to the submitted application based on the considerations set out in this report.

DUTY UNDER THE EQUALITIES ACT 2010

In assessing this proposal the following impacts have been identified upon those people with the following protected characteristics (age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex or sexual orientation).

The proposal would have a neutral impact on the protected characteristics.

RECOMMENDATION

APPROVE CONDITIONALLY

- 1 The development hereby permitted shall be begun before the expiration of 3 years from the date of this permission.

Reason: To comply with Section 91 of the Town and Country Planning Act 1990 (as amended).

- 2 The development hereby approved shall be carried out in accordance with the following approved plans:

- Existing Location, Block, Plans and Elevations - 1411/EX01 - Jan 2019
- Proposed Location & Block Plans, Plans & Elevations - 1411/PL01 - Jan 2019

Reason: For the avoidance of doubt and in the interests of amenity and the environment in accordance with policy D DM1 of the Arun Local Plan.

- 3 The materials and finishes of the external walls and roofs of the development hereby permitted shall match in colour and texture those of the existing dwelling.

Reason: In the interests of amenity in accordance with policy D DM1 of the Arun Local Plan.

- 4 **INFORMATIVE:** Statement pursuant to Article 35 of the Town and Country Planning (Development Management Procedure)(England) Order 2015. The Local Planning Authority has acted positively and proactively in determining this application by assessing the proposal against all material considerations, including planning policies and any representations that may have been received and subsequently determining to grant planning permission in accordance with the presumption in favour of sustainable development, as set out within the National Planning Policy Framework.
