

This is an application made to West Sussex County Council under Regulation 3.

As a result all the documents are only available on the West Sussex County Council planning website.

To view the application and plans please put the following address into your browser

<http://eplanning.westsussex.gov.uk/ePlanningOPS/>

This will take you to a page where you click on 'Search for application details and submit comments.' Once you are in this screen you can use any of the fields to search for the application. The Key word search is most effective

Once you have located the application click on 'View Full Details'. This gives you information on the application and about half way down the page there is an option to click on Documents. Here you will be able to view all the documents.

If you have any difficulties viewing the plans please contact West Sussex County Council 01243 642118 or the County Council switchboard on 01243 777100
