Dear Sirs,

I am writing to you with great concern regarding a Planning Application being submitted by my immediate neighbour - Mr. CARL MERRETT.

15, THE PLANTATION. EAST PRESTON.

It is for internal alterations and roof extension.

I have seen the plans and feel that the roof space is being over-developed and certainly not in keeping with the rest of the properties in our cul-de-sac.

At present, Nr 15, has peaked front windows and gabled ends, like the rest of the detached and semi-detached bungalows in this unique road.

The new plans show a over-bearing roof line with five windows at front. Two dormer and two windows at the rear - WEST.

My side - NORTH, will be over-shadowed by the height of the new roof extension, re-striking sun-light into my kitchen.

I shall also be writing to Arun District Council with my objection.

Thank you for your attention. Yours Sincerely,
