Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015

Application No: EP/22/21/HH
Site Address: 15 The Plantation East Preston BN16 1LD
Description of works: Erection of rear extension and loft conversion with rear dormers and side gables

Thank you for your internet representation made on 25th April 2021 which has been recorded as an objection with the comments as follows:

OWPC35381

I wish to object to this planning application.

This is a speculative redevelopment of a charming two bedroom bungalow into a very large five bedroom house. The proposed work is overbearing and out of scale and character with surrounding homes in The Plantation and will have considerable detrimental visual impact, in particular the extension of the roof line will give the structure the appearance of a barn. The proposed five Velux style windows to the East elevation are excessive. Neighbouring properties will be overlooked on three sides and there is a likelihood of overshadowing given the mass of the structure. There is no street parking in The Plantation and a five bedroom property is likely to bring with it more vehicles both resident and visiting than the available parking can accommodate since the garage is proposed to be converted to habitable space.

Your views as made above will be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish your comments including your name and address on the website. Please make sure that you have only provided information that you are happy will be published in this way. If you have supplied information belonging to a third party, you must make sure you have their permission to do so. If you do not wish your comments to appear on the website or on the file you will need to confirm this by emailing to planning@arun.gov.uk and I will arrange for it to be destroyed although this means that the content will then be disregarded.

The majority of applications are determined under delegated powers by officers. Further information on the decision making process can be found on the website at <https://www.arun.gov.uk/planning-decision-process>.

Some applications will be determined by the Development Control Committee, and I shall write and inform you of the date of the meeting and the procedures for public speaking if this is the case. However, if your representation has been received after the agenda for the meeting has been finalised and the notifications have been generated, you will not receive notification. In this case, you will need to track the progress of the application on the council's website <https://www.arun.gov.uk/weekly-lists>

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Development Control Committee.

Regardless of how the application is determined I will notify you of the decision.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours sincerely

Neil Crowther
Group Head of Planning

For details of how the Council will deal with your data please refer to our privacy notices on the website www.arun.gov.uk/planning-privacy-statements

If you have provided an email address, all correspondence including the decision notice will be sent by email. It is therefore important that you keep us informed if this changes during the course of this application.
