

TOWN + COUNTRY PLANNING
APPLICATION NO EP/22/21/HH.
ARUN DISTRICT COUNCIL.

Dear Arun Planning Department,

I am writing to you greatly concerned with a planning application being submitted by my neighbour - MR. CARL MERRETT, 15. THE PLANTATIONS, EAST PRESTON, BN16 1LD.

It is for internal alterations and roof extension. I have seen the plans and regarding the roof, the design is massive, over-powering the original design of a peaked, gabled detached bungalow. The roof appears practically squared off, with five windows at the front, two at the rear plus two dormers. My side, NORTH, will be over shadowed by the extension restricting sun light into my kitchen. The road, a cul-de-sac, of detached and semi-detached bungalows where some have had alterations but not too this extent, have been done sympathetically.
