Hi Kathryn.
Ref EP/24/22/HH

It was good to meet you yesterday.
The builders are just asking me about the roofing. I would quite like cladding on the dormer and front and back of the gable. Is this possible or does it need to go through planning? Quite a few people around here have cladding. I think it looks nice by the seaside.
Could you let me know asap as they need to order.
Many thanks, Sarah Chandler
