Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015

Application No: EP/24/22/HH
Site Address: 3 Normandy Drive East Preston BN16 1LT
Description of works: Conversion of roof space to habitable use to include a side dormer.

Thank you for your internet representation made on 10th April 2022 which has been recorded as an objection with the comments as follows:

OWPC46520

As a resident of East Preston since 2003, and having participated in the researching & producing of our village development plan, this is exactly the type and size of addition to an existing property that was decided to be too large, aesthetically inappropriate in this road & against the policy of the village plan.

I trust that someone from the planning department will personally investigate the way this development would overlook in a very obtrusive way the building on its immediate right (looking from the road facing the bungalow).

I find it difficult to understand why a home owner who has not yet received approval for a proposed home enlargement, is allowed to start the building process. Surely it would make the planning application more meaningful and necessary if building work was not allowed until approval has been given.

I sincerely trust that consideration of our village plan, which would value the feelings and well being of all neighbours, will play an important part in your decision to turn down this application.

I am writing this as someone who has bought a property with an upstairs conversion which was deemed inappropriate in the village plan, and has my concurrence.

Your views as made above will be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish your comments including your name and address on the website. Please make sure that you have only provided information that you are happy will be published in this way. If you have supplied information belonging to a third party, you must make sure you have their permission to do so. If you do not wish your comments to appear on the website or on the file you will need to confirm this by emailing to planning@arun.gov.uk and I will arrange for it to be destroyed although this means that the content will then be disregarded.

The majority of applications are determined under delegated powers by officers. Further information on the decision making process can be found on the website at :<https://www.arun.gov.uk/what-happens-next>.

Some applications will be determined by the Planning Committee, and I shall write and inform you of the date of the meeting and the procedures for public speaking if this is the case. However, if your representation has been received after the agenda for the meeting has been finalised and the notifications have been generated, you will not receive notification. In this case, you will need to track the progress of the application on the council's website <https://www.arun.gov.uk/planning-application-search>

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Planning Committee.

Regardless of how the application is determined I will notify you of the decision.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours sincerely

Neil Crowther
Group Head of Planning

For details of how the Council will deal with your data please refer to our privacy notices on the website <https://www.arun.gov.uk/privacy-policy/>

If you have provided an email address, all correspondence including the decision notice will be sent by email. It is therefore important that you keep us informed if this changes during the course of this application.
