Hi Kathryn,

RE: 3 Normandy Drive, BN16 1LT

I have sent supporting evidence (photos and responses to objections) outlining examples of properties in Normandy Drive in my previous emails. This message is concerning the wider area2.

Please find photos showing cladding, Velux and dormer examples, taken from Google Maps (2019) of Normandy Lane (first turning off my road), also in area 2. Since the street map was created there have been further adaptations including additional grey cladding.

As noted in previous correspondence there are further examples in other roads in area 2 such as Sea Lane but to

avoid flooding your inbox with photos, I thought sending one more road would give you a flavour of the different properties and adaptations.

Many thanks

Sarah Chandler
